Amendments to the Specification:

Please replace paragraph [0041] with the following replacement paragraph:

[0001]   Suppose now that a function called DllDebugObjectRPCHook in a target process is to be executed from a first process. Perhaps DllDebugObjectRPCHook expects two input parameters a boolean and an undefined pointer ~~paramater~~ parameter, and returns a single Boolean result. As written in C++, an exemplary target function may be declared as illustrated in FIG. 4.
